

Peter Rhodes CV

Full-stack Javascript Developer

rhodespeter@hotmail.co.uk
07833798916

1 Oswyth Road
Cambewell
London
SE5 8NH

About

I am a full-stack JavaScript developer with a background in design. I can add value to a team by providing strong design and artworking skills alongside coding.

Experience

CAHMS
MVP Project
London (February 2017)

A 5 week paid project to create an MVP for CAHMS (Child and Adolescent Mental Health Services). This project was funded after prototype pitches to funders from Anna Freud.

github.com/CYPIAPT-LNDSE/welcome-to-camhs

YOTI x GoodGym
MVP Project
London (May 2017)

A 5 week freelance project consisting of two sprints to create a web app for GoodGym using the Yoti SDK.
